

MASSABESIC HIGH SCHOOL

The mission of Massabesic High School, in partnership with home and community, is to prepare students to think, to communicate, to show respect, and to understand the power of knowledge with a commitment to life-long learning...

September 15, 2009

Dear Parents and Guardians,

We are happy to announce the opening of RSU57's Parent Portal. This website will provide parent access to Infinite Campus, our new on-line student information system. Infinite Campus is taking the place of Power School, which we used this past year. By creating your account you will be able to access your son or daughter's schedule, grades, attendance, and assignments.

The Parent Portal can be found at:

<https://ic.sad57.k12.me.us/campus/portal/msad57.jsp> In order to set up your account you will need an Activation Code or GUID as it is called. To make a request to receive your GUID please email us at infinite_codes@fc.sad57.k12.me.us. In your message please make sure to give us your son or daughter's name along with your name. By return email you will receive your code along with instructions on how to create your account. These instructions will also be available on our school's web site. Under Infinite Campus you will be able to access all of the students in your family's group with this one account. However, parent access will only be kept current for students in grades 7-12 for the first part of our school year.

More detailed information and training materials for use of Infinite Campus can be found by following the links to Parent Access located on the RSU57 website at <http://fc.sad57.k12.me.us/>.

Security and privacy are very important, so please keep your login and password secure. The information posted at this site is "read only" and cannot be altered through this application.

RSU57, and Massabesic High School are committed to increasing communication between school and home. We are confident that your access to student information will be a positive way to support your student and his/her academic achievement.

Very truly yours,

Christian Elkington
Principal
